About Us

Fionaa Gold Private Limited, established in the year 2020, is a renowned and leading manufacturer and wholesaler of high-end Gold jewellery and CZ jewelry. Fionaa Gold is a unique premium jewellery house that focuses on producing timeless designs. A trendsetting fashion jewellery pioneer luxury brand that emphasises exceptional attention to detail and blends it with precious metals to produce a magnificent collection of timeless jewellery.

Backed by a team of highly experienced individuals, since 2020, Fionaa Gold Private Limited has been a leading maker of gold and cz jewellery, creating gold bangles, pendants, rings, mangalsutras, bracelets, and kadas. We are based on the values of integrity and the reimagining of classic and beautiful designs.

Our History

The late Mr. Ramesh Premchandani's hard work and continuous efforts to form Ramesh & Sons—a small jewellery manufacturing industry—in the year 1980 created a tremendous growth spurt to further form Fionaa Gold Private Limited—a legacy carried on by his sons, Mr. Kamal Premchandani, Mr. Dinesh Premchandani, and Mr. Chandan Premchandani in the year 2020.

Built on the grounds of integrity and innovating traditional and elegant designs, Fionaa Gold truly believes in retaining long-term relationships by creating customer-focused products and steady service.

What We Do

Since 2020, Fionaa Gold Private Limited has been a leading manufacturer and wholesaler of gold and cz jewellery, producing gold bangles, pendants, rings, mangalsutras, bracelets, and kadas. We are a high-end jewellery company that crafts jewellery from the best metals and stones. In response to client and market demand, we manufacture 18k and 22K gold and rose gold jewellery in both conventional and non-traditional styles.

Each item of jewellery is BIS-hallmarked, which is a quality assurance stamp that signifies the jewellery has been checked for purity and fulfills industry standards.

Why Us ?

Fionaa Gold is associated with superior craftsmanship and innovative designs, establishing its footprints all over India. The design team collectively creates multiple new styles time and again, keeping in mind the prevailing trends and designs in demand by the mass and the class.

We mainly focus on being creative in our designs and timely delivery of high-quality standard products with complete transparency. We use the best-in-class accessories in our jewellery to give an extraordinary experience to our customers.

Our Speciality

We are a high-end jewellery company that creates pieces from the best metals and stones. It's a collection of traditional and non-traditional jewellery inspired by a rich history and a mix of cultures. Our designs represent the finest of both and will take you on a voyage of exploration and inspiration.

Fionaa collections include rings, bangles, pendants, mangalsutras, and bracelets that showcase the finest of traditional and non-traditional artwork.

Team Strength & Infrastructure

Fionaa Gold runs on a collaborative workforce of more than 200 people who are highly trained and committed towards their goal. We have a space of more than 15000 sq. ft. for the manufacturing division, designing team, creative unit, casting crew, and skilled craftsmen under one roof.

Our professional team ensures the requirements and needs of the customers are met in a timely manner. Fionaa Gold is backed by expert professionals from the jewellery industry who constantly keep updating themselves with the latest technology and innovative pieces of machinery that are introduced in the jewellery manufacturing industry.
